Accepting our Terms of Business

By asking us to quote for, arrange or handle your insurances, you are providing your informed agreement to these Terms of Business. We draw your particular attention to the section headed 'The processing of your personal data', specifically the sub-section titled 'Credit checks'.

For your own benefit and protection, you should read these terms carefully. If you are unsure about any aspect of our Terms of Business or have any questions regarding our relationship with you, please contact us at the above address

Our Service

We source and arrange products and provide information but do not offer advice or make personal recommendations when arranging Rope-Sure 5 insurance. However, we may ask some questions to narrow down the selection of products on which we will provide details; you will then need to make your own choice about how to proceed. In some circumstances we do provide a personal recommendation and we will therefore confirm the type of our service in separate documentation before finalising your insurances. At renewal, unless we give you a quote for cover with an alternative insurer, we will not make personal recommendations (unless you request this during the renewal process). For certain classes of insurance, we will ask you to complete a proposal form. As your insurance broker, we are happy to provide advice on completing the form, but we cannot complete it on your behalf.

The Capacity in which we Act for You

We act as an insurance intermediary, not an insurer. We act on your behalf and on behalf of the insurer when arranging your insurances, when helping you make changes to your policy, when you renew your insurance and in the event of a claim.

We are under a contractual obligation to only select Rope-Sure 5 insurance products from a single insurer – Lloyd's Syndicate 1991 managed by Coverys Managing Agency Limited, rather than on the basis of a fair and personal analysis of the market. This will be through the agency of Cedar Underwriting Ltd on behalf of Lloyd's Syndicate 1991. We may be able to offer finance for insurance instalments through Close Brother Premium Finance Ltd. We will give you further information about this before we finalise your instalment arrangements.

Important Information (consumer customers only)

Under the Consumer Insurance (Disclosure and Representation) Act 2012 it is your duty as a consumer to **take reasonable care** not to make a misrepresentation to an insurer. Under the act a consumer is defined as an individual who enters into an insurance contract wholly or mainly for purposes unrelated to the individual's trade, business or profession. A failure by the consumer to comply with the insurers request to confirm or amend particulars previously given is capable of being a misrepresentation for the purpose of this act. It is important that you ensure all statements you make on proposal forms, claim forms and other documents are full and accurate and we recommend that you keep a copy of all correspondence in relation to the arrangement of your insurance. Under the act an insurer has a remedy against a consumer in respect of qualifying misrepresentations in breach of the consumers' duty of reasonable care where the insurer deems the misrepresentation to be either deliberate, reckless or careless

If in doubt about any point in relation to your duty to take reasonable care and subsequent qualifying misrepresentations, please contact us immediately.

The duty of fair presentation (non-consumer customers only – Finch Commercial)

It is your responsibility to provide a fair presentation of the insurance risk based on you conducting a reasonable search for information. This could require you to obtain information from senior managers within your organisation or other parties to which the insurance relates or who carry out outsource functions for your business. You must disclose every material circumstance which you know or ought to know or failing that disclose sufficient information to put your insurer on notice that it needs to make further enquiries. You must ensure that any information you provide is correct to the best of your knowledge and representations that you make in expectation or belief must be made in good faith. If you fail to make a fair presentation of the risk this may result in additional terms or warranties being applied from inception of the policy or any claim payment being proportionately reduced. In some cases, this could result in your policy being declared void by an insurer and your premiums returned. Any deliberate or reckless breach of the duty of fair presentation could result in your policy being declared void by an insurer with no refund of premium. **If in doubt about any point in relation to material circumstances and reasonable search, please contact us immediately.**

Financial Crime

Please be aware that current UK money laundering regulations require us to obtain adequate 'Know Your Client' information about you. We are also required to cross check you against the HM Financial Sanctions List as part of the information gathering process. We are obliged to report to the National Crime Agency any evidence or suspicion of financial crime at the first opportunity and we are prohibited from disclosing any such report. We will not permit our employees or other persons engaged by them to be either influenced or influence others in respect of undue payments or privileges from or to insurers or clients.

Consumer Credit Licence

We are authorised and regulated by the Financial Conduct Authority in respect of our current Consumer Credit Licence.

Solvency of Insurers

We cannot guarantee the solvency of any insurer with which we place business. This means that you may still be liable for any premium due and not be able to recover the premium paid, whether in full or in part, should an insurer become insolvent.

Terms of Payment

Our payment terms are as follows (unless specifically agreed by us in writing to the contrary):

- New policies: immediate payment on or before the inception date of the policy
- Alterations to existing policies: immediate payment on or before the effective date of the change
- Renewals: due in full before the renewal date

If payment is not received from you in accordance with the above terms, we, or your insurer may be forced to cancel or lapse the relevant policy/policies, which could mean that part or all of a claim may not be paid. You may also be in breach of legally required insurance cover. When renewal is invited and the policy is paid by monthly direct debit, we will issue a notice to you. If you choose to pay for your insurance premium using a finance provider your details will be passed onto them. We will provide you with a breakdown of the costs of your monthly instalments and subsequently a document outlining key features of their credit agreement with you, it is important that you take time to read this document and must contact us if you do not receive this. If you have any queries or questions, either about the service provided by the finance provider or their terms and conditions you should in the first instance contact them. Where your policy is paid via the finance provider and you choose to renew your cover, we will again continue to pass your details to them. If any direct debit or other payment due in respect of any credit agreement you enter into to pay insurance premiums is not met when presented for payment or if you end the credit agreement, we will be informed of such events by the finance provider. In certain circumstances we may be contractually obliged by the finance provider to notify your insurer to cancel the policy. Where we are not contractually obliged to do so by the finance provider, if you do not make other arrangements with us to pay the insurance premiums you acknowledge and agree that we may, at any time after being informed of non-payment under the credit agreement, instruct on your behalf the relevant insurer to cancel the insurance and to collect any refund of premiums which may be made by the insurer and use this refund to offset the amount levied by the finance provider on the firm. If this amount is not sufficient to cover all our costs, we reserve the right to pursue any additional debt owed to the firm through a due legal process. You will be responsible for paying any time on risk charge and putting in place any alternative insurance and/or payment arrangements you need. Upon receiving your strict acceptance to pay for insurance premiums through the finance provider, we will instruct them to proceed with your application for credit. This process will involve the provider searching public information that a credit reference agency holds about you and any previous payment history you have with that provider. The credit reference agency will add details of your search and your application to their record about you whether or not your application is successful.

Please read carefully the pre-contractual explanations and the information regarding the cost of credit (including any representative examples). Together they provide important information in relation to the credit facility available from the finance provider. To use the finance provider's facility, you must be resident in the UK, aged 18 years or over and hold a bank or building society current account which can support direct debit payments. Credit is available subject to status.

Any payment we receive from you will be held by The Broker Network Limited, which pays insurers on our behalf, in a Non-Statutory Client Trust Bank Account held with RBS, HSBC or Santander. In

some cases, the payment we receive will be held on behalf of the provider with whom we arrange your policy as their agent. This means that any payment you make to us will be regarded as having been paid to the provider. This is known as risk transfer. By operating a Non-Statutory Trust, The Broker Network Limited is permitted to, and may use such monies to cross fund client's premiums and claims. Please make all cheques payable to "The Broker Network Limited".

By instructing us to place insurance on your behalf you give your informed consent to these Client Money procedures. If there are any matters which you do not understand, or do not accept, you should discuss them with us before proceeding. We may pass the money you pay us to another intermediary. We will only do this where it is a necessary part of the process of arranging cover for you. Where this includes intermediaries outside the UK, the legal and regulatory regime may be different from that of the UK. In the event of the intermediary failing money may be treated differently than if it was held by an intermediary in the UK. You may notify us if you do not wish your money to be passed to a person in a particular jurisdiction. No interest will be payable to customers in respect of the client account. Any interest earned will remain in the ownership of The Broker Network Limited.

Notification of Incidents/Claims

It is essential to notify us immediately of all incidents that may result in a claim against your insurance policy. You must do so whether you believe you are liable or not. Any letter or claim received by you must be passed to us immediately, without acknowledgement. Only by providing prompt notification of incidents can your insurance company take steps to protect your interests. Your policy summary and/or policy document will provide you with details on who to contact to make a claim. Claims payment will be made in favour of you. If you require a payment to be made to a third party, then you must confirm the required payee name and details and provide a brief explanation for your request. Please contact us for guidance on claiming under your policy.

Policy Charges

In addition to the amount charged by insurers we also make charges to cover the administration of your insurance. Any applicable insurance premium tax will be shown on the documentation we provide to you.

These charges are non-refundable

Transaction	Admin Fee
New business	£50.00
Renewal	£50.00
Mid Term Adjustments	£25.00
Lost papers or documents*	£25.00
Temporary change	£25.00

*We will only charge on cases where we have previously posted documents to you, requests for electronic versions are without charge.

Policy charges on certain schemes will differ from the above list and will be advised to you within the scheme documentation prior to purchase.

Fees & Remuneration

Where we arrange low or non-commission paying products, we will charge a Broking fee and will advise you of the actual amount at the time of quotation or renewal.

These fees may be subject to change. Where there are changes, we will confirm this clearly and the actual amount will always be disclosed to you before you commit to purchasing the product. As insurance brokers our remuneration may be as a fee agreed with you or from commission paid to us by insurers based on the amount, they charge you. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing or renewing your insurance cover. We take any commission once we receive your payment as cleared funds and prior to payment of the premium to the insurer. We may occasionally receive additional remuneration from certain insurers for insurance policies we place with them, finance providers claim management services and others. Please ask us should you require further information. Where you choose to pay your premium by instalments, we may use a scheme operated by your insurer, or we may use a single Finance Provider, and we may receive a commission for introducing you to them. The firm will advise the customer of any commission payable by the lender in relation to a credit agreement where knowledge of the existence or amount of commission could affect the impartiality of the firm in recommending a particular product or have a material impact on the customers transactional decision. There is no remuneration to employees as a direct result from the sale of Rope-Sure products.

Cancellation

Your policy document will detail your rights to cancel your insurance once you have taken it out. Depending on the type of policy you have purchased, you may be entitled to cancel within 14 or 30 days of either conclusion of the contract or receiving your policy documentation, whichever occurs later. This is often referred to as a cooling off period. Where you cancel a policy before renewal you will be responsible for paying a charge to meet the cost of cover provided and administration expenses. Please see the Refunds section. To enable your insurer to process the cancellation, you will need to return certificates and any official documents to our office within 30 days of your notice to cancel.

Refunds

Where a policy is cancelled before renewal, insurers charge to cover their costs, with the balance refunded to you, subject to no claim having been made. Full details will be available in your policy. In the event of an adjustment giving rise to a return of premium the amount may be refunded or held to credit.

Your attention is specifically drawn to the following:- Where you cancel your policy **after** the expiry of the cooling off period or where you request a mid-term adjustment which results in a refund of premium, **we reserve the right to charge you for our time and costs. This will usually result in us reducing the amount refunded to you by the FULL amount of the commission and fees we would have received had you not cancelled.** The reason for this is that the majority of our costs are incurred either in initially finding and setting up your policy or in the annual renewal process when we might check the ongoing suitability of the cover the policy offers. These costs are recovered through the commission we earn. If you cancel, this does not give us an opportunity to recover the costs we incurred and would often result in us making a loss. However, any charge made will not exceed the cost of the commission and fees we would have earned. For certain commercial insurance policies, insurers will only provide cover where the premium is due in full on inception of

the policy. This means that no refund will be paid if the policy is cancelled before renewal. We will advise you if this affects you. In view of the cost involved in making changes to your policy, we will not issue refunds of less than £25.00. Some mid-term adjustments that create a large refund will also incur the need for Finch to recover our commission. These cases will be few in number and will be discussed on an individual basis by your account executive.
